Sending my condolences to the Thurman family. Frances was my childhood friend from Vine Street. We play a while and argue a while. We loved making cakes on our easy bake oven and give them to her brother to eat. I am glad I got to see her a year ago and took her a childhood picture of us together. RIP my friend.

A loving Tribute to my cousin Frances. We were very close until our health began to fail so we didn't see each other very often. Frances was always caring, loving, humble and always respectful. Frances was our church pianist for several years. Visiting from Chattanooga Frances would often spend the night at my home in Georgia to be at church on Sunday morning to play for the worship service. She had an awesome way of using her gifts. Although she could play other instruments, she was exceptionally great at strumming those piano keys. Frances was dedicated and committed to the church. I will never forget Frances and she will forever be a blessed memory. Love Cousin Reba and Geneva, the Shelton, Hinton and Southern family. Rest Easy Frances ❤️
