Loved my big cousin. The four years difference in our age made a big difference when we were kids. I tried to get in touch with him a while back, but didn't hear anything from him. Maybe he was too ill, at the time, to talk. If anyone from his family wants to get in touch with me, call the office number at the plant and they will get a message to me. I retired this year. My love to the family, Reed ( Larry ) Bacon

Glenn was my friend. Always has been, always will be. We had the perfect teenager years. His first car, getting in trouble, getting out of trouble, how great were the 60's ? I'm getting old and losing all my friends.

It didn't feel right without a picture of Glenn's smile. I found these photos of him in his belongings. It was great to see all the photos he kept in a box. XOXO Love you, Glenn- Danielle

Thank you for doing that Danielle. I just haven't been able to do it myself.
