My sister & I had a bond that could never be broken, we started out as little girls raised up in Blowings Springs Ga, everyone that grew up with us who really knew us always knew us as a loving kind family starting with our mama. And yall also knew Rita & I always was together no matter what! Running up & down dirt roads out in the country! I wouldn't take nothing to get that back😞 Moving to the city was hard & a horrific part of our lives which some of you that really knew us was there with us even then and now that's true love! And I love all of you! Now it's really a loss of words loosing my baby sister, but until we meet again I love you ❤️ Sister R.I.P. Baby

Rita was like a sister to me! I am her cousin and I spent almost every summer with her as a young child. So many memories. She was soft spoken and kind. She always loved to laugh. She always shared. I haven't spent much time as adults. The message regarding her demise was overwhelming. I just pray that she and I will meet again on the other side in that great getting up morning when Jesus comes to gather his flock. I want my family to know that I love you all and I pray peace for us all. If any of you need me. I'm just a phone call away!
