Teresa and I have been friends since attending Joseph E Smith, then to East Fifth Street and also went to Chattanooga High School together and graduated with the Class of 1976, Dynamos. Teresa was very smart, quite, had a sweet and loving smile which made her a wonderful person to know. We also lived in the same neighborhood. Teresa will be truly missed. Your childhood friend, Angeline (Grayson) Taylor.

Teresa was a dear friend to me and I had the pleasure of being her co-worker at the health department for about 5 years. She has been missed here since her retirement. I will always look back on our time together fondly. We had many laughs and shared many favorite "jams". She was one of a kind and will be missed. I will always keep her memory in my heart.
